- The integrity of the Company’s financial statements;
- The Company’s compliance with legal and regulatory requirements;
- The independent registered public accounting firm’s qualifications and independence; and
- The performance of the Company’s internal audit function and independent registered public accounting firm.

While the Audit Committee has the responsibilities set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that AGCO’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles or to assure AGCO’s compliance with laws and regulations. This is the responsibility of management.

II. STRUCTURE AND OPERATIONS

Composition and Qualifications

The Audit Committee shall be comprised of at least three directors designated by the Board, each of whom shall meet the independence and qualification requirements of the New York Stock Exchange (the “NYSE”), Section 10A(m)(3) of the Securities Exchange Act of 1934 (the “Exchange Act”), and the rules and regulations of the Securities and Exchange Commission (the “SEC”). The Audit Committee shall also disclose, in accordance with applicable regulatory requirements, whether any member of the Audit Committee is a “financial expert” as defined by the SEC. No member of the Audit Committee shall serve on more than three public company audit committees.

Appointment and Removal

The members of the Audit Committee shall be designated by the Board annually and each member shall serve until such member’s successor is duly designated or until such member’s

earlier resignation or removal. Any member of the Audit Committee may be removed, with or without cause, by a majority vote of the Board.

Unless a Chairperson is designated by the full Board, the members of the Audit Committee shall designate a Chairperson by majority vote of the full Audit Committee membership. The Chairperson will chair all sessions of the Audit Committee and set the agenda for Audit Committee meetings.

The Audit Committee will conduct executive sessions with Management (including CEO, CFO and General Counsel), the external auditors and the internal auditors at least annually. A majority of members of the Audit Committee shall constitute a quorum. The action of a majority of members at a meeting at which a quorum is present will be the action of the Audit Committee.

Any director of the Company who is not a member of the Audit Committee may attend meetings of the Audit Committee; provided, however, that any director who is not a member of the Audit Committee may not vote on any matter coming before the Audit Committee for a vote. The Audit Committee also may invite to its meetings any member of management of the Company and such other persons as it deems appropriate in order to carry out its responsibilities. The Audit Committee may meet in executive session, as the Audit Committee deems necessary or appropriate.

IV. RESPONSIBILITIES AND DUTIES

The following functions shall be common recurring activities of the Audit Committee in carrying out its purpose as set forth in Section I of this Charter. These functions should serve as a guide with the understanding that the Audit Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Audit Committee shall also carry out any other responsibilities and duties delegated to it by the Board from time to time related to the purpose of the Audit Committee outlined in Section I of this Charter.
